Creating Resilient Pension Portfolios Post-Covid

Tuesday, December 8, 2020
16:30 GMT | 18:30 GR

To attend the webinar,
please register [here](#) by December 4, 2020.
Registration is free

Highlights include:

- *What shifts are likely in the current macro financial regime in response to the unorthodox policy response from central banks and governments in the key economies?*
- *How will these shifts affect the way investing is done in the future?*
- *What will be the key changes in pension plans' asset allocation?*
- *ESG as an important pillar of portfolio resilience: How much progress has been made and what lies ahead in the future?*

Format: A 35-minute interactive presentation by Amin Rajan in conversation with Professor [George Skiadopoulos](#). A Q&A with the audience will follow.

Content: Based on a survey conducted by CREATE-Research the results of which will be released on December 4, 2020. A soft copy of the survey will be provided to participants.
